Case of Adelle Delwiche, No. 557.375

On this 26 day of July, 1893 at Rosiere, County of Kewaunee State of Wis, before me, H. C. Loomis, a Special Examiner of the Pension Office, personally appeared Clmt. Adelle Delwiche, who, being by me first duly sworn to answer truly all interrogatories propounded to her during this Special Examination of aforesaid pension claim, deposes and says: Age 51. occ. housekeeper. P.O. as above. I am the widow of the deceased soldier, Eugene Delwiche, late of B. 6. Wis. Infty. My said husband died July 16. 1892. and I have not remarried since his death. I am an applicant for pension as his widow— act of June 27. 1890.

When soldier died I owned in my own name the 80 acres on which we lived. This 80 had been deeded to me by my husband a number of years ago. This homestead was assessed the last time for $1500. and personal property for $175. The tax paid last year was $64.18 on both real and personal. I would sell the homestead (80 acres) for $2000. There is a mortgage on this place for $275. Soldier also left 80 acres of land which he owned which is assessed at $495 and taxed for $12.78 last year. (Tax receipts exhibited showing assessed valuations and taxes as above—Exr.) I have offered to sell this 80 owned by my husband for $1000. but have not been able to do so, yet. This 80 acres belongs to the estate. I have a legal interest in it. with my children Soldier left no will and the personal property belongs to the estate. There has been no administrator appointed and my boys carry on the place and live with me just as before soldier died. There has been ~~done~~ no division of the property. We have 3 horses and a colt worth at a fair cash value $ 175.

DEPOSITION B

Case of Adelle Delwiche, No. 557375

On this 26 day of July, 1893, at Rosiere, County of Kewaunee State of Wis, before me, A. L. Le Gourmi, a Special Examiner of the Pension Office, personally appeared John B. Bellin, who, being by me first duly sworn to answer truly all interrogatories propounded to him during this Special Examination of aforesaid pension claim, deposes and says: Age 51. occ. farmer. P.O. as above. I know the clmt. and knew her late husband, Eugene Delwiche. I live about 2 miles distant. I was assessor in this Tp. for 3 years. We always assess at about 2/3 the cash value. I think I assessed the 80 acres where clmt lives, one 40 at $800 and one 40 at $700. or $1500 for the 80. and that would be about 2/3 its cash value. I think clmt could sell the 80. for $2200. most anytime. I know clmt has 3 horses and 5 or 6 cows.

The horses may be worth	$ 200.
and the 6 cows ($10. assessed value)	90.
an ox team at	45.
hogs	15.
sheep	8.
Farm wagons and machines.	75.
	$ 433.

Soldier owned 80 acres in Door Co. she can't sell it. nobody wants it. It is not worth more than $800.

Q What would be a fair cash rental for clmt's homestead (80 acres) including stock and machines?

R I guess about $80. not more. and the renter pay taxes.

No, I do not think clmt's farm would make her a good, comfortable support, if she had to hire the labor. My neighbor tried to rent 80 acres this year and he could not get $100 for it and himself pay the taxes. Clmt. has no money at interest. I think there is a mortgage on the 80 acres, but I do not know the amt. I signed a statement in clmt's case there was nothing said then about the value of clmt's property, as I remember. I have heard that clmt owns the 80 acre homestead in her own right, but I do not know.

I have no interest am not related. I have understood your questions and my answers have been correctly recorded

I would not give any more for it and I know the land, maybe she could sell it for more.

Her horses are worth 235.
" cows " " 20 apiece 120

I could not give the kind or value of other personal property

Soldier also owned 80 acres in Door Co. worth I would think about $700.

I do not think clmt has any money and she owes some money but I do not know how much but I think $300. or about that.

Q What would be a fair cash rental for clmt's homestead?

A About $80. and each pay ½ the taxes. Clmt. has not remarried since soldier died. I have no interest am not related. I made a statement in this case.

Case of Adelle Kelwicke, No. 557375-

On this 2d day of July, 1893, at Rosiere, County of Kewaunee State of Wis, before me, [illegible] Special Examiner of the Pension Office, personally appeared Edward Kelwicke, who, being by me first duly sworn to answer truly all interrogatories propounded to him during this Special Examination of aforesaid pension claim, deposes and says: Age 24. occ. farming, P.O. as above. I am a son of the clmt. — the oldest son she has at home. I have 3 younger brothers and a younger sister at home. We all live with our mother, the clmt. I am Treasurer of school dist. No. 2. I owe the district $300. more than I have cash on hands to pay. This money has been used by my father and by his estate and I have to make it good to the school dist. I do not owe the money individually, but my father's estate owes the money. My mother also owes $275. mortgage on her 80 acres. The personal property named by my mother to you is correct as to the amt. and a fair valuation I think. We all live in common, and no division of the estate has been made. The estate also includes 80 acres of land in Door Co. mentioned by mother. and she owns 80 acres on which we live. I think $3000. would be a

liberal estimate for the cash value of the 160 acres. I owe $250. to Charles Gregory for teaching our school, which I shall pay him this fall when we sell our produce. and I owe $50 of school money to the Dist. by last settlement making $300.

P. O. as above. I have lived on this place about 38 years. My farm of 80 acres joins the clmts. I knew her husband Eugene Delwiche for many years. We were close neighbors. I have heard that clmt. owns the farm of 80 acres on which she lives with her children. I think $2200. would be a fair cash valuation for clmts 80 acres. It is about the same value as my own 80. I do not know that there is any mortgage on clmt's land. Eugene Delwiche also owned 80 acres in Door Co. I have seen the land. It is not very good land. I would not think it worth a thousand dollars, but I could not tell its value. Clmt has three horses on the place worth not over

I do not know that clmt. owes any money and I do not believe she has any money at interest.

Q If clmt. had no boys to work her land of 80 acres, and had to hire the farm worked, could she pay the taxes and make a good, comfortable support from the income of the farm?

A No sir; she could not in my honest judgment.

I have no interest, am not related, I have understood your questions and my answers have been correctly recorded. I want to add that I know a man who hired a farm of 80 acres for $70. this year and he can't pay the rent

Q What would be a fair cash rental for clmts 80 acres. stock and tools included? A. I would rent my 80 acres. with 4 horses and 8 cows. for $200. and the taxes, quick, and I know a man could not afford to pay me so much. I have reaper mower and all tools. The above is correct.

IMPORTANT.—The affidavit should, if possible, be in the handwriting of the affiant; the marginal instructions must be carefully observed before writing out the statement.

State of Wisconsin, County of Kewaunee, ss:

In the matter of the application for pension of Eugene Delwiche

On this first day of December A. D., 1890, personally appeared before me, a Notary Public in and for the aforesaid County, duly authorized to administer oaths Eugene Delwiche aged 62 years, a resident of Lincoln in the County of Kewaunee and State of Wisconsin whose Postoffice address is Rosiere Wis. and well known to me to be reputable and entitled to credit, and who, being duly sworn, declared in relation to aforesaid case as follows:

Instructions! Read Carefully.

The physician making a statement on this blank should state *fully* and *explicitly* all the disabilities of a permanent character, either mental or physical, from which the claimant is now suffering, and to what extent, in his opinion, the claimant is disabled by reason of said disabilities for the performance of manual labor (hard work), whether 1/4, 1/2, 3/4, or entirely, as the case may be.

He should also *particularly* state that the disabilities are not due to vicious habits, if, as a matter of fact, they are not.

That he suffers from Chronic Bronchitis and heart failure, has Ankylosis of the wrist joint of left arm with atrophy and partial paralysis of forarm on left side, due to a traumatic wound of Ulnar nerve which caused it to be entirely destroyd, with muscles adjoining or controled by same, and rendering same useless- I further testify that he has not receiv these disabilities through any vicious habits. In my opinion his disabilities to performe manual labor is fully two-thirds (2/3)

He further declares that he has practiced medicine 1 1/2 years, and that he has no interest, either direct or indirect, in the prosecution of this claim.

Dr. J. J. Looze,
(Affiant's Signature.)

Sworn to and subscribed before me, this 1st day of December, A. D., 1890, and I hereby certify that the affiant is a practicing physician in good professional standing; that the contents of the above declaration, etc., were fully made known to him before swearing, including the words ——— erased, and the words joint added, and that I have no interest, either direct or indirect, in the prosecution of this claim.

Sir:

I have the honor to return herewith together with my report case 557375 Addle Delwiche-Rosiere, Kewaunee Co. Wis. — wid. of deceased soldier Eugene Delwiche pt. Co. G. Wis. Infty.

Claim is filed under Act. of June 27-90. and was sent to field. to det. dependence. as per slip of Reviewer.

Clmt was duly notified of Spl. Exm. and all rights made known and fully explnd.

She is a Belgian as are all the witnesses. She is of good repute for truth.

According to her own statement supported by the statements of witnesses. clmt. appears to be worth property to the value of something over $2000, exclusive of all indebtedness. A pension, if granted, would add nothing to her comfort or well being, in my judgement. I recommend the case for rejection.

MEDICAL AFFIDAVIT.

This affidavit can be used by Regimental or Assistant Surgeon, or any physician who can testify in any way in behalf of claimant. The affidavit should, if possible be in the handwriting of the Surgeon or physician testifying, and should embody all the facts in affiant's possession as to the origin and continuance of claimant's disability. The dates of treatment should be especially set forth, and also affiant's means of knowing the facts to which he testifies.

State of K ~~Kewaunee~~ Wisconsin, County of Kewaunee ss:

In the Pension Claim No.

of Adelle Delwiche widow of Eugene Delwiche

late a Private in Co. B of the 6 Reg't of Wisconsin Vols.

(Company and Regiment of service, if in the army; or Vessel and Rank, if in the Navy.)

Personally came before me a notary Public in and for the aforesaid County and State, Dr J. J. Lorge, a citizen of the Town of Lincoln whose Postoffice address is Lincoln, County of Kewaunee, State of Wisconsin well known to me to be reputable and entitled to credit, and who, being duly sworn, declared in relation to aforesaid case as follows:

That he is a practicing physician, and that he has been acquainted with said soldier for about twenty years, and that I knew him personally and part of the time as his family physician and neighbor - living four miles from my house. Was a sound man as far as I can make out from neighbors &c before enlistment. If he would have been unsound I am position I would have known it.

(Here state all the facts known to the affiant in accordance with the marginal instructions. No erasures or interlineations are allowed unless the magistrate certifies in his jurat that they were made before the execution of the paper.)

2. Did not treat claimant while in service either as his regimental surgeon or while claimant was home on furlough

3. Have treated him off and on from 1889 to May 1892 for what, to my knowledge, I treated for chronic bronchitis and some liver trouble that I diagnosed as a cancer, and partial atrophy of Dorse arms. On May 17, 1892 I lost track of the case his employing another physician whom gave the same diagnoses and prognosis as I did - Death.

4. From the time he came under my care winter of 1889 to the time of his last sickness May 1892 I would place his disabled condition to from 1/2 to 3/4 in favorable weather, fall and winter could not leave the house.

NOTES.

The physician, in order to cover the required points, should read carefully the following notes, and unless they are complied with the affidavit will be worthless and ineffective.

1st Whether or not he knew the soldier prior to enlistment: the length of time he has known him; how intimately and what opportunities he has had of observing his physical condition; whether as his family physician or as a neighbor, and how near he has lived to him. If he knew that the soldier was a sound man at enlistment, he should so state, adding, if true, that had he been unsound he would have known it.

2d. If he treated claimant while in the service, either as his regimental surgeon or while claimant was home on furlough that fact should be stated. The claimant's physical condition at such times should be clearly shown, as well as the NATURE OF HIS DISABILITY and dates of treatment.

3d. If he has treated soldier since discharge, he should so state, giving the date of his first treatment: what his physical condition was at the time, with complete diagnosis of the disability; the period during which he treated him should be stated, with dates, as near as possible, of the prescriptions.

4th. Affiant should take especial care to state, to the best of his recollection and ability, to what fractional extent claimant has been disabled for performance of manual labor, whether 1/4, 1/3, 1/2, 2/3, 3/4, or entirely during each year, from discharge to the present time, or such time as affiant's testimony covers.
